

Restart and Reset Guidance - Plan 2

Plans at a Glance

The following plans have been created with guidance from state and local leaders. Please review the full details for each plan thoroughly with your family. Each plan is color-coded and corresponds with the state emergency notification level. Families and their students will need to make a commitment for the semester on which option they choose. The Governing Board and iSTEM administration reserve the right to edit this guide in response to new health and safety information and guidance.

This plan follows the state level system. The color code is determined when either Lake or Geauga counties meet the higher threshold.

Yellow - Level 1	Blended on-site instruction Or Virtual instruction (Parent Option)
Orange - Level 2	Blended on-site instruction Or Virtual instruction (Parent Option)
Red - Level 3	Virtual instruction for all
Purple - Level 4	Virtual instruction for all
